

FINDING **DORY'S** FRIENDS

A Fin-Tastic Scavenger Hunt

**“Hi there! I’m Dory.
And I’m a fish on a mission.**

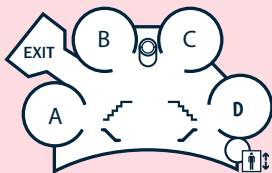

I’m looking for some of my friends.
Only trouble is... I can’t remember their names.
But, like my dad says, ‘There’s always another way!’
Hey! That reminds of me of this song I made up!”

**At times, I forget. But it’s okay.
Just look for a friend
who can help find the way!**

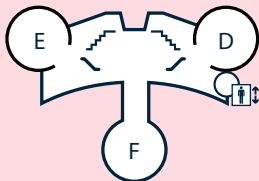

**“Oh! Oh! I think that’s YOU!
Can you help me remember my friends?”**

LEVEL ONE

- A. Turtle Talk with Crush
- B. Bruce's Shark World
- C. Ocean Life

LEVEL TWO

- D. Marine Mammals
- E. Nursery
- F. Undersea Viewing

Follow the maps and read Dory's rhymes for each area. Then, search for clues to figure out which friend Dory is trying to remember.

Once you find the friend, take the matching sticker and place it on the page.

Let's start with Dory! Find her sticker and place it here.

“I think I have a friend in **Bruce’s Shark World!**

Oh! And I came up with a song to remind me of her, but sometimes I forget how my songs end!

Can you help me?”

**‘She looks like a ray,’
I often remark.**

**‘It’s like she’s from heaven,
this winged -----!’**

HINT: Read about the different sharks in Bruce’s Shark World to find the clues that mention Dory’s friend.

WHILE YOU'RE HERE...

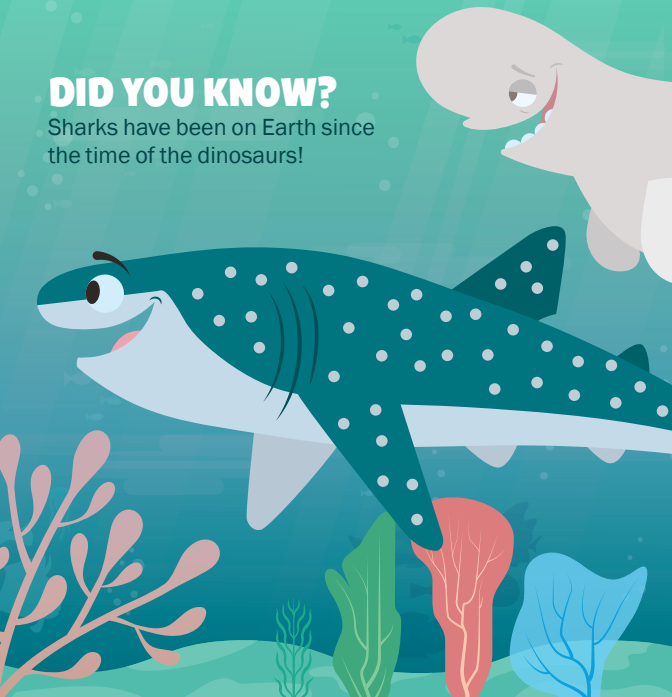

Show off those pearly whites and take a photo with Bruce!

Find the periscope and take a look inside. What do you see?

You must be a shark expert by now! Test your shark smarts at the **Shark Challenge**.

DID YOU KNOW?

Sharks have been on Earth since the time of the dinosaurs!

**“I just remembered I’ve got some good buddies
in the **Ocean Life Area**. We’re on a roll!”**

**When he finds his mate,
it’s forever, of course!
Holding on with his tail, this
friend’s a -----.**

**My friend has no scales and
swims backwards with zeal.
He’s long, and he’s skinny.
My friend is an ----.**

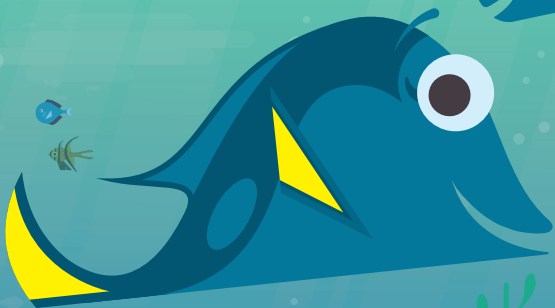

WHILE YOU'RE HERE...

There's a fish who looks just like Dory—except she's all yellow! Can you find her?

Some fish are great at hiding. Visit them at the **camouflage exhibit** to see how they do it!

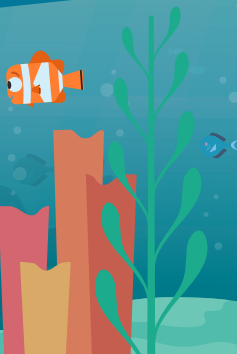

Go to the biggest coral reef in the room! How do coral reefs help beaches? And what can humans do to help reefs in return? *

DID YOU KNOW?

Fish like Dory, called blue tangs, can live up to 30 years or longer!

**Learn more about reef fish and corals at DisneyAnimals.com*

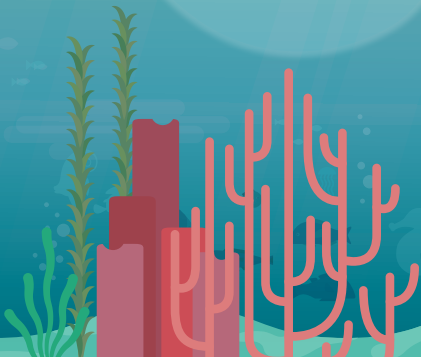

“This is fun! Where to go next...Oh! Oh! I know!
The **Marine Mammal Area!**

Can you help me remember this friend?”

**Trying to lift him
would just be insanity.
He weighs half a ton!
My friend is a -----.**

WHILE YOU'RE HERE...

Mr. Ray knows a lot about the ocean! Take his class on marine mammals by checking out the video screens.

Manatees like to rest at night. Figure out what you can do to help them feel at home while they're relaxing!

Watch a manatee move through the water. How does it get around? Does it use its tail, flippers... or both?

DID YOU KNOW?

Manatees can do rolls and somersaults. They can also swim upside down!

“Let’s swim upstream to **The Nursery!
I’ve got a much smaller pal over there.**

Wow! My memory is getting better!”

**They live in aquariums
from here to Shanghai.
In nature, they’re scarce.
My friend’s a -----.**

WHILE YOU'RE HERE...

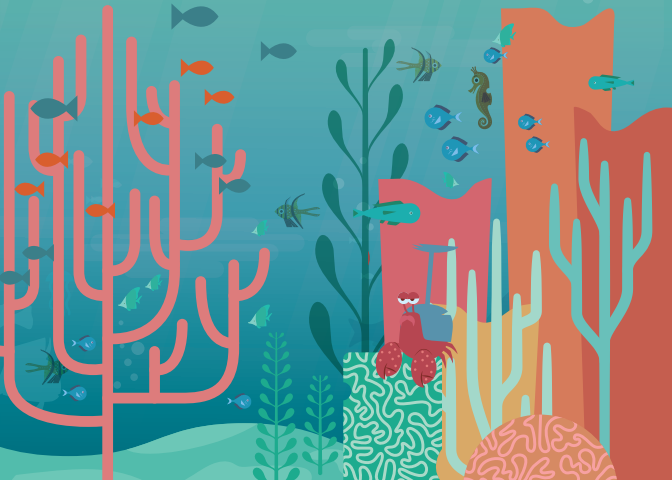

There are lots of different species in the Nursery!
How many can you find? Have you seen any of them
in other places?

Show off your sea smarts by taking
Mr. Ray's Pop Quiz!

Sometimes fish work together to stay safe. Visit the
aquarium by the windows to find out how they do it!

DID YOU KNOW?

Even though they might look like plants,
corals are animals!

**“Guess what? I remember I have two more friends
who live in the **Undersea Viewing Area!**”**

 **My friend has black spots
just like marble, they say.
The name of her species is the...
-----! **

 **He reminds me of Bruce,
so what memories he'll spark!
But he's oh-so-much smaller,
this cute ----- **

WHILE YOU'RE HERE...

Rays come in all shapes and sizes! How many different species can you find? *

Sometimes fish have favorite places to hang out, just like people. Look for these spots, and make sure you look high AND low!

What's the smallest fish in the **Undersea Viewing Area**? How about the biggest?

DID YOU KNOW?

There are over 2,000 animals who call this aquarium home!

**Learn more about rays at [DisneyAnimals.com](https://www.DisneyAnimals.com)*

“Wait a sec — Something’s coming to me!
I’m thinking of another friend!
And you know what?

I REMEMBER THE WHOLE SONG!”

**My memory can be
quite a difficult hurdle,
But I think of his shell,
and I know he’s a turtle!**

**“Wow! You did it! You helped me remember!
I knew I could count on you.”**

**At first, I forgot, and my
memories were dimming.
It's buddies like you, Friend, who
help me keep swimming!**

**“Thanks for sticking with me, partner. I just
remember things better with you!”**

*There's one sticker left. And it's
for YOU! Wear it so everyone knows
you're Dory's true-blue friend.*
