

ACCESSIBILITY AND MOBILITY

Courtesy Wheelchairs Complimentary wheelchairs are available for travel to and from the accessible parking lot and the nearest wheelchair rental location. These courtesy blue wheelchairs are not permitted for use inside the Theme Parks.

Restrooms and Companion Restrooms Restrooms at the Theme Parks, designated by , offer facilities designed for access by Guests with mobility disabilities. Companion-assisted restroom facilities, designated by , are also available at various locations in each Theme Park. Theme Park First Aid locations, designated by , have facilities with additional space and privacy for individuals who may need assistance from a member of their party with their personal care needs.

Dining and Shopping Locations Some counter-service and merchandise locations have narrow queues formed by railings that may be difficult for Guests using wheelchairs. At these locations, we suggest that a member of your party order and transport the food, or contact a Cast Member for assistance.

Accessible Transportation The following options are available for Guests in wheelchairs or ECVs:

- **Buses and Disney Skyliner** can accommodate various types of wheelchairs and ECVs. The standard footprint is 30" x 48". The wheelchair or ECV must fit the lift without being forced. On buses, the device must be securely fastened in the restraints, and we recommend that Guests using ECVs transfer to a seat while onboard a bus.
- **Watercraft** access varies depending on the type of watercraft and the existing water levels and conditions.

Specialty Lighting Effects/Photosensitivity

Specialty lighting and other visual effects are used extensively throughout the *Walt Disney World* Resort. These effects include strobe lights and other effects such as simulated lightning, explosions and chaser lights.

Magnetic Fields

Common equipment, such as electric motors and radios, that produce electric and magnetic fields are utilized extensively throughout the world and also within our Resorts. These fields are generally no greater than you would experience in any urban environment or may be exposed to through common household appliances such as vacuum cleaners and hair dryers.

Special Effects

Special effects, including theatrical smokes, fog, snow and bubbles, are used at select *Walt Disney World* Resort attractions, shows and special events. All special effects are produced using products that have been proven to be safe in these applications.

NOTE: If you or any member of your party have questions regarding the above, you may speak with a Guest Relations Cast Member for details.
