

Disney nature comes alive
with joy through the holidays

All-new winter festivities on *Discovery Island*®
at Disney's Animal Kingdom® Theme Park

HOLIDAYS AT DISNEY'S
ANIMAL KINGDOM® THEME PARK
NOVEMBER 8–JANUARY 1

This Year, All Of Nature Sparkles With Holiday Magic

For the first time ever, the holidays come to life—both day and night—across all the lands at *Disney's Animal Kingdom Theme Park*.

Cross the bridge to *Discovery Island*® into a joyous celebration of winter, where colorful animal-inspired luminaries adorn the rooftops and beautiful bird-shaped lanterns are perched throughout. Adding a touch of whimsy are holiday arctic animals—life-size artisan-sculpted puppets that frolic about the island.

"The animals are all associated with winter, snow or Christmas," explains Mark Renfrow, Show Director, Disney Parks Live Entertainment. "For the holidays, the *Discovery Island* inhabitants have created a wondrous menagerie of handcrafted animals that will interact with Guests."

As day gently fades to night, the rooftop luminaries and bird lanterns bring a happy and festive glow.

And at the center of everything, the *Tree of Life*® awakens with a series of wintry tales, each story brought to life in a distinctively different art style.

All across the Park, you'll be greeted with holiday cheer, from the colorful festivities of Diwali in Asia to dazzling décor to beloved Disney Characters in their holiday best!

So come visit *Disney's Animal Kingdom Theme Park* this season to experience all the joy of the holidays and all the magic of Disney nature. 🌿

Chocolate Crinkle Cookies

— Makes 12 -14 Cookies —

Epcot® International Festival of the Holidays

These rich, fudgy chocolate cookies are coated with confectioners sugar that cracks — or crinkles — when they bake, giving them a snow-capped, wintry look. Note that the dough needs to refrigerate for at least 3 hours (up to 24 hours) prior to baking.

INGREDIENTS:

1 cup all-purpose flour	1/4 cup vegetable oil
1/2 cup unsweetened cocoa powder	2 large eggs
1 teaspoon baking powder	1 teaspoon vanilla extract
1/4 teaspoon salt	1/2 cup confectioners sugar (for coating the cookies)
3/4 cup granulated sugar	

DIRECTIONS:

1. Whisk flour, cocoa powder, baking powder, and salt in medium bowl until combined; set aside.
2. Add granulated sugar and oil in bowl of stand mixer. Beat on medium-low until combined. Add eggs and vanilla, beating on medium-high until combined. Gradually add flour mixture and beat on medium-low speed until combined. (Note: The consistency will be similar to a brownie batter but will firm up with chilling.)
3. Tightly seal bowl with plastic wrap and refrigerate for at least 3 hours (or up to 24 hours) until dough is completely chilled through and able to be rolled into balls.
4. After dough is completely chilled and ready to be baked, preheat oven to 350°F.
5. Line large cookie sheet with parchment paper. Fill small bowl with confectioners sugar; set aside.
6. Remove and unwrap dough. Using medium cookie scoop to measure out dough, roll into round balls. Roll dough ball in confectioners sugar until completely covered on all sides. Place cookie balls at least 2 inches apart on prepared baking sheet.
7. Bake for 8 to 10 minutes – do not overbake. Allow cookies to cool on baking sheet for 3 minutes. Transfer cookies to wire rack, and let them cool until they reach room temperature.
8. Store in sealed container for up to 5 days or freeze for up to 3 months.
