Short Escapes may be booked either in conjunction with *Disney Cruise Line*, or may be booked independently. Cruise Vacation Packages may only be booked in conjunction with *Disney Cruise Line*. One reservation point is equivalent to one allotted vacation point. Reservation points have no other relationship with, or comparison to, vacation points and are established for convenience of reference only. Airfare to and from destination is not included and travel time necessary to reach a given destination is not included in calculating trip lengths. Certain trips may begin early on the first day of the itinerary and may end late on the last day. Members should contact Member Services for additional information, including trip components and dates, details about overnight accommodations required before and after itinerary dates, age ranges, gratuities, additional surcharges, etc. Membership Extras are available with eligible ownership interests. General terms and conditions of this program are in the "Membership Extras Acknowledgment and Disclosure Statement." Program terms and conditions are subject to change without notice.
