Points to Note for Quarantine for Inbound Persons

Checklist before you come

Purchase admission ticket and complete park visit reservation online.

Download HK Disneyland app.

Check latest information on our website and app.

LET'S GO!

Plan your visit

1 Purchase admission ticket in advance.

2 Reserve the date of visit at official website with valid admission ticket. Guests can make reservation up to 90 days prior to their visit.

Park Visit Reservation

3 Upon successful reservation, guests are encouraged to take a screenshot of their reservation details for future reference.

In the park

Under the Vaccine Pass arrangements, all guests (aged 5 or above) who enter or remain on the Park and restaurants for dine-in are required to fulfil the Vaccine Pass requirements, unless exempted under the law. Guests should carry at all times their COVID-19 vaccination record, Vaccine Pass, Provisional Vaccine Pass or Medical Exemption Certificate with QR Code and present it to our cast members for checking as required.

View restaurant menus, attraction availability and show times on the HK Disneyland app.
