A World Beyond Belief Is Here

Welcome to *Pandora—
The World of Avatar*

We've been waiting for this day. The chance to finally discover a land beyond anything we ever dreamed possible. At last, *Pandora—The World of Avatar* is welcoming explorers to a place beyond belief.

As Walt Disney Imagineer Joe Rohde states, "You want to enter a place with an open mind and an open heart so that you can really get new experiences. And a place like Pandora, which is so completely new, is a great place for that to happen."

Beginning May 27 at *Disney's Animal Kingdom*® Theme Park, the Na'vi people, in partnership with Alpha Centauri Expeditions (ACE), welcome

you to this distant world. A world where mountains defy gravity. Where nature comes to life in a brilliant glow while a mystical river flows. And where you can fly on the back of a banshee during an aerial rite of passage.

Your journey unfolds in the Valley of Mo'ara, where the land is an adventure unto itself. Here, you'll hike under mysterious floating mountains while discovering the totems, cuisine and native symbols of the Na'vi culture. And as you take in the flora and fauna, be sure to keep your eyes open for woodsprites and stingbats. Then as the sun sets, get ready for a forest alive with bioluminescence that'll amaze even the most well traveled.

Even then, your adventure is just getting started.

THE CENTERPIECE OF PANDORA

Climb aboard the back of a mountain banshee—one of Pandora's largest predators—on *Avatar Flight of*

"It's a dreamlike experience to set foot on a planet that both feels like home and like somewhere you've never been." **JOE ROHDE**

Passage—and fly through thrilling passages, soar through ancient arches and dive under mountains and over rivers like nothing you've seen on Earth. This spectacular attraction gives you a bird's-eye view of the beauty and grandeur of the world of Pandora.

A FAMILY-FRIENDLY EXCURSION

Experience the true harmony of nature, Na'vi and humans together, as you board a *Na'vi River Journey* reed boat and sail down a mystical Pandoran river. As the rainforest's canopy glows with life around you, you'll discover plants and exotic creatures as the Na'vi Shaman of Songs summons you further.

A Truly Otherworldly Experience

More to explore on Pandora

In addition to floating mountains, glowing rainforests and amazing creatures, you'll find Na'vi merchandise, drinks, dining and more in this magical world.

WINDTRADERS

This nature-based shop is dedicated to items that celebrate the flora, fauna and culture of Pandora. Natural items from across Pandora can be seen in the interior design with large root structures used to display various items. Here, you can find traditional Na'vi items, animal toys, science kits and ACE tour company merchandise.

"This is a place to explore. You just don't know what's going to happen." **JOE ROHDE**

PONGU PONGU

From the Na'vi word meaning "Party Party," this small drink location has been transformed from an eccentric building into a refreshing place to stop and wet your whistle. Filled with Pandoran treasures and relics, Pongu Pongu promises to become a favorite destination for both locals and visitors.

SATU'LI CANTEEN

This large Quonset hut structure is the main dining establishment for travelers

in the Valley of Mo'ara. Owned and operated by ACE, this Quick-Service restaurant features a beautiful museum-quality dining room focused on Na'vi art and cultural items.

Grilled Beef Bowl at Satu'li Canteen

COLORS OF MO'ARA

ACE has set up this cart and kiosk on the east side of the valley, offering assorted items available for purchase and the chance to be painted in Na'vi clan markings.

So prepare to experience a world beyond belief, and be among the first to visit *Pandora—The World of Avatar*, opening May 27 at *Disney's Animal Kingdom*® Theme Park.
